While we will pray on the 6th from wherever each of us is at 9:30 that evening, you are also encouraged to begin praying for the work to come and maintain the General Conference in your prayers throughout the Conference which runs from May 10-20, 2016.

General Conference 2016: May 10-20

The denomination's top policy-making body meets once every four years. This quadrennium, General Conference will be held in Portland, Oregon. Delegates from all over the world, representing United Methodist conferences, will gather to consider revisions to church law, make plans and set budgets for church-wide programs, and consider resolutions on moral and social issues that are pertinent at the time. General Conference is the only official voice of the United Methodist Church. The 2016 theme, "Therefore Go," is based upon Matthew 28: 19-20.
